L. Lemieux-Charles and François Champagne

3 A review of organizational performance assessment in health care
S. G. Leggat, L. Narine, L. Lemieux-Charles, J. Barnsley, G. R. Baker, C. Sicotte, F. Champagne and H. Bilodeau

18 Commentary 1
A. B. Flood

20 Commentary 2
K. A. Van Peursem

22 Authors' response

24 A conceptual framework for the analysis of health care organizations' performance
C. Sicotte, F. Champagne, A. P. Contandriopoulos, J. Barnsley, F. Béland, S. G. Leggat, J. L. Denis, H. Bilodeau, A. Langley, M. Brémond and G. R. Baker

41 Commentary 1
T. D'Aunno

43 Commentary 2
M. D. Fottler

46 Authors' response

49 Managing health services: how administrative data and population-based analyses can focus the agenda
N. P. Roos, C. Black, L. L. Roos, N. Frohlich, C. DeCoster, C. Mustard, M. Brownell, M. Shanahan, P. Ferguson, F. Toll, K. C. Carriere, C. Burchill, R. Fransoo, L. MacWilliam, B. Bogdanovic and D. Friesen

NUMBER 2 MAY 1998

69 Impact of IT on health care professionals: changes in work and the productivity paradox
M. A. Hebert

80 A strategic information system to facilitate the use of performance indicators in hospitals
D. Gordon, M. Carter, H. Kunov, A. Dolan and F. Chapman

92 Patient-centred performance monitoring systems and multi-agency care provision: a case study using a stakeholder participative approach:
N. A. D. Connell, A. R. Goddard, I. Philp and J. Bray

103 Assessing efficiency in general practice: an application of data envelopment analysis
J. M. Bates, D. L. Baines and D. K. Whynes

109 The cause of variations in unit labour costs: a preliminary study
E. Caines, R. W. Clarke, J. Harper and C. Tolond

113 Rational rationing?
P. M. Mullen

124 A study and comparative analysis of effective and ineffective leadership skills of physician and non-physician health care administrators
F. Shipper, D. A. Pearson and D. Singer

136 Book review
K. Riley

NUMBER 3 AUGUST 1998

137 Barriers to evidence-based care in nursing: historical legacies and conflicting cultures
C. Hicks

148 Further flexing? Issues of employment contract flexibility in the UK nursing workforce
J. Buchan

163 Hospital response to the implementation of prospective payment
H. Q. Trinh and J. W. Begun
